

Newly Weds Foods Supports Local Childrens' Christmas Festivities

Newly Weds Foods is proud to support another local event.

For the third consecutive year, the Ossett children's' community Christmas party will take place on Sunday 13th December at the Ossett War Memorial Community Centre. There will be plenty of festive fun including; Christmas card and tree decoration making, party games, the opportunity to visit Santa in his grotto and a family food buffet.

Staff at Newly Weds have dug deep and collected a whopping one hundred selection boxes ensuring that every child receives one personally from Santa! In addition, various gifts have been purchased and have been donated to the raffle.

Dr Charlotte Baird, EMEA Marketing Director says, "It's always a great privilege to help and support our local communities especially at this time of year".
