## **Newly Weds Foods Raises Money For Local Hospice and Care Home**

Ongoing support and assistance within the local community is extremely important to Newly Weds Foods. In recognition of the dedication and loyalty of two long serving employees, Gez Hurst and Geoff Sutton, who sadly passed away in 2015, Newly Weds Foods is delighted to have raised a grand total of £744.22 in support of **The Wakefield Hospice** and **C.A.P CARE**.

The sale of bacon and sausage sandwiches which were cooked by willing volunteers from various departments, a cake sale and a prize raffle collectively generated funds which will go towards funding various initiatives.

**C.A.P CARE** aims to raise awareness of the challenges facing the needy in the local community and the work of the Community Awareness Programme. Whereas **The Wakefield Hospice** endeavours to offer the highest level of care for patients, families and carers of those who have advanced active, progressive and life threatening illness.

Although a company wide effort, a special mention goes to; Joanne Hunter, Claire Hutchinson, Davina Calvert, Sharon Lang, Alison Robshaw, Ami Gardner and Andrew Hudson for their commitment to the fundraising initiatives that Newly Weds Foods is always proud to take part in.
