

Thank you

for raising an incredible £1,336 in April 2017!

Marie Curie would like to thank

Everyone at Newly Weds Foods

During April staff at the Head Office and factory on Owl Lane, in Ossett, held a bake sale and raffle to raise funds in support of Marie Curie. A range of really exciting prizes were donated, including some given by suppliers. The staff were extremely generous in buying raffle tickets to try to win items such as an iPad, champagne and much more. We hope everyone enjoyed the delicious cake at the bake sale too!

The amazing news is that the team at Newly Weds Foods raised an incredible £1,336 - just marvellous! This is equivalent to helping us provide over 66 hours of Marie Curie nursing care. This ensures that we are able to offer vital care and support to people who are terminally ill, along with their families. Thank you so much to everyone who helped in any way to organise the fundraising activities, donated prizes, baked cakes or supported by buying a ticket for the raffle. We really appreciate all your support and are so grateful to everyone at Newly Weds Foods for their fundraising efforts.

Claire Hutchinson, at Newly Weds Foods, said “It was a great day. All the staff came together and enjoyed raising money for this amazing organisation. Marie Curie East Belfast Hospice cared for my mum when she was ill nearly 10 years ago and it was so nice to give something back”.
