

## Newly Weds Foods raise over £1,000 For Two Special Charities

Newly Weds Foods takes pride in continuing to support a number of charities, both locally and nationally. The most recent charity event, which took place over the Christmas period, saw the company and its employees support Sue Ryder Manorlands Hospice, based in Keighley, West Yorkshire as well as Mind, a national mental health charity.

Newly Weds Foods is very proud to announce a grand total of £1,021.20 has been raised from its Christmas charity events, which will be equally divided between these two very worthy charities.

The fantastic sum above was generated via a Christmas Raffle, with over 50 prizes on offer as well as a Cake Sale, which numerous staff contributed towards by baking in their own free time to sell on site.

Manorlands Hospice provides incredible palliative care and complementary therapy services to support people with life-limiting conditions which can involve complex physical or psychological problems. Their care focuses on helping resolve these problems whilst supporting family, carers and close friends.

It is estimated that 1 in 4 people will experience a mental health problem in any given year. Furthermore, only 25% of people experiencing a mental health issue will seek help. Mind is a national charity providing advice and support to empower anyone experiencing a mental health problem. They continuously campaign to improve services, raise awareness and promote understanding of mental health.

A thank you to all who contributed towards the fantastic £1,021.20 total and a special mention must go to the Newly Weds Charity Team, whose time and effort went a long way to producing the four figure total.

For anyone who would like further information on the two charities, follow the links below:
