

## Newly Weds Foods Raise Nearly £700 For Breast Cancer Charity

Newly Weds Foods takes pride in having supported a number of charities over the years and, 2018 will be no exception. The company kicked off its first charity event of the year by raising £694.85 for Breast Cancer Care, the breast cancer support charity.

The total was raised through a combination of Easter Bake Sale and Easter Raffle. Both were supported by staff fantastically in terms of contribution to the cause and the organisation of activities.

There were over 30 prizes in the charity raffle, with the top prize, A Luxury Super Car Experience going to Lucie Taylor, a member of the Ossett R&D team.

Numerous Newly Weds Foods staff contributed to the successful bake sale, with items sold internally for between 50p & £1.

A special thank you must go to Claire Hutchinson, Joanne Hunter & Davina Calvert who all gave up their free time and were instrumental in the organisation of the event.

Breast Cancer Care is the only specialist UK-wide charity in the country providing care, support and information to anyone affected by breast cancer. In addition to the person diagnosed, it includes family, friends and breast care health professionals.

Services include:

- Free telephone support and information Helpline
- 'Ask Our Nurses' email service
- Specialist face-to-face services that include expert information, the chance to ask questions and to meet other people also facing breast cancer
- A wide range of free patient information, both on and offline
